**Re: Rajeev Munjal v. Emirates**  
**Civil No.: 21-CV-08401 (PAE)**

Dear Judge Engelmayer:

We represent Defendant Emirates (hereinafter referred to as “Defendant”) in connection with the above-referenced matter. We received Magistrate Judge Figueredo’s Order (ECF No. 35) to file a joint letter providing the Court an update on the status of settlement discussions and whether the parties wish to schedule a settlement conference at this time.

We write jointly with Plaintiff’s counsel to respectfully request a one-week extension of the deadline to file pre-summary judgment motion letters from June 24, 2022, through and including July 1, 2022. This is the first request for an extension of the June 24, 2022, pre-summary judgment motion letter deadline. The parties have commenced settlement discussions and are cautiously optimistic settlement can be completed prior to the necessity of filing pre-motion letters. The parties thus respectfully request a one-week extension of the pre-motion letter filing deadline through July 1, 2022 to continue their settlement dialogue.

We thank the Court for its consideration of this request.

Respectfully submitted,  
JACKSON LEWIS P.C.
